R.C. STEVENS CONSTRUCTION COMPANY VOLUNTEERS AT NAWIC'S ANNUAL BLOCK KIDS BUILDING PROGRAM

Orlando- **R.C. Stevens Construction Company** recently participated in NAWIC's annual Block Kids Building Program by volunteering their time to help judge the building competition. Children competing in the event were asked to build a project that related to the construction industry using 100 Lego blocks, a small rock, a piece of string and foil. When finished, they were then asked why they chose to build the project, what they liked about their project and how their project will be used. The focus of this program is for children to develop an awareness of the construction industry.

###
